

Special Announcement!

We invite you to participate in our...
 "Support the Businesses that Support Direction Service"
 benefit during the month of November

Throughout November, several local merchants are partnering with Direction Service in a unique community-wide benefit to help raise funds for our program.

Each business will be making donations on behalf of customers who make purchases at their store or restaurant on a particular day, during a specific week or during the entire month of November.

Every business has their own special deal so please review the participation information below.

Please help support businesses that show their generosity by giving back to their community.

Remember to present your coupon to the supporting business!
