

Joslyn Law Firm: Criminal Defense Lawyer

Aiming to be the Best Criminal Defense Lawyer in Columbus, Ohio - With unparalleled professionalism, experience, and legal acumen, the Joslyn Law Firm ranks as one of Ohio's most accomplished criminal defense and DUI defense firms.

The firm's founding lawyer, [Brian Joslyn](#), has an extensive list of credentials. He has been heralded by the National Academy of Criminal Defense Lawyers as one of the ten best criminal defense lawyers in Ohio. Columbus CEO Magazine identified him as a top criminal attorney in the state of Ohio, and he also has been touted as a Top 3 criminal defense lawyer in Columbus, Ohio. In addition, the National Trial Lawyers Association recognized him as a Top 100 Trial Attorney in the entire country.

Solely centering on criminal defense in Central Ohio (including Franklin, Pickaway, Madison, Delaware, Licking, Union and Fairfield Counties), with a long track record of success, Brian and his team of exceptional legal minds work to raise the standard on criminal representation by personally tailoring every defense to their clients' needs and the specific circumstances of each case. Irrespective of a given client's background, profession, or status, the Joslyn Law Firm renders the highest level of service.

All [criminal charges](#) must be approached with the utmost caution, and a conviction for any criminal offense, even a [drug crime](#), [sex crime](#), [gun/weapons charge](#), [driving under the influence](#), [theft](#) or [domestic violence charge](#), can have life-long repercussions (e.g., on school enrollment, an individual's ability to obtain a professional license, employment, finances, family issues, and personal freedom). Therefore, to presume unilateral accountability for your defense can be a massive mistake, with potentially devastating consequences.

Crafting a successful defense requires the acute legal knowledge and expertise of lawyers who know the judges and prosecutors assigned to criminal cases and can formulate cogent arguments that result in the outcome of reduced sentences or the dismissal of charges completely. The firm's attorneys have handled thousands of criminal cases in federal, state, city, and mayors courts and work daily toward and achieve such outcomes.

In keeping with this philosophy, every attorney at the [Joslyn Law Firm](#) (including support staff) has a love not only for their craft, but for the lives of our clients. They take care to listen, inform, and advise their clients as though they were family.

Therefore, if you believe that you are the subject of a criminal investigation including federal charges, have been accused of or charged with a crime, reach out to the Joslyn Law Firm. Brian and his team are poised and ready, 24/7, to help. Do not be held back by negative feelings or emotions of guilt.
