## **Mediate.com Launches MediateIndia! A Proven Bridge Between Professional Mediators and the Public**

Mediate.com, the world's most visited dispute resolution site and most used mediator directory, has launched **MediateIndia!** at [www.Mediate.com/India](http://www.Mediate.com/India). CAMP, based in Bangalore, is the Foundational Sponsor for MediateIndia!

Mediate.com's and CAMP's goal is to support the development of mediators and mediation throughout Indian society, including court mediation, mediation as an alternative to litigation, private mediation and community based mediation.

**Laila Ollapally, Founding Coordinator of the Bangalore Mediation Center and Founder of CAMP** comments, "CAMP is thrilled to partner with Mediate.com to grow mediation throughout Indian society. Mediate has a unique collection of resources and a proven ability to educate both professionals and the public about mediation. **MediateIndia!** is a bridge between Indian professionals offering mediation services and Indian people needing these services."

**Mediate.com CEO, James Melamed**, says, "Mediation in India is just now taking off. We have supported and chronicled the growth of mediation in North America over 25 years. We know that Mediate.com can now also expedite and elevate the development of mediation in India. With over 20,000 articles, blog posts, news items and videos, Mediate.com is uniquely capable of supporting and chronicling the growth of mediation in India."
